

# Bluebeam® Revu®

Take paperless workflows to a whole new level

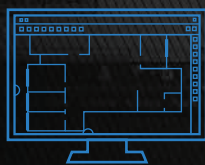

## What is Revu?

Revu combines powerful PDF editing, markup and collaboration technology with reliable file creation. Add comments with customizable annotation and measurement tools, organize high-quality smart documents using PDF editing features, and collaborate on the same documents in real time with project partners anywhere in the world.

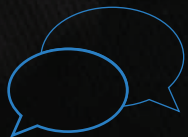

## A Powerful, Intuitive Solution for Working with PDFs

Our easy to use desktop PDF editor was designed specifically for technical professionals, helping users increase productivity while saving money.

### CREATE

Create smart, information-rich 2D and 3D PDFs faster and easier.

### COMMENT

Add customizable markups to PDFs to track who said what and when.

### COLLABORATE

Share PDF markups in real time, on the same PDF, for better transparency and accessibility.

## SPEED UP

PROJECT COMMUNICATION  
BY 60%

## REDUCE

PAPER USAGE BY MORE  
THAN 85%

# 2015 Features

Digitize your workflows, streamline your processes and collaborate with project partners from anywhere, at any time, with Revu. Revu is available in three editions:

FEATURES	STANDARD	CAD	E <sup>X</sup> TREME <sup>®</sup>
